This constitutes a pledge to donate airmiles and/or funds to assist rescue workers and families of victims, who were traumatically effected by 911, to have well deserved "get-away vacations." These donations will make it possible for a special committee of the Rotary Club of New York to send them to various parts of the world where Rotarians have offered to host them in a therapeutic and caring environment.

Airmiles from airline frequent flyer programs, credit card companies and other programs, and/or funds will be directly donated to the individuals effected. The donor will be notified as individual travel arrangements are made.
